

The EPIC Cup Information Sheet

Everything you need to know to have a truly EPIC weekend!

Schedules

Use the schedule link located on [The EPIC Cup website](#) and [Facebook page](#) to view schedules online.

Fields and Parking

Games are played at [these three locations in Oxford, OH](#):

- **Oxford Community Park (OCP)**, home of the best grass fields in the Midwest. There are two entrances to OCP – [6801 Brookville Rd, 45056](#) and [6801 Fairfield Rd, 45056](#). OCP has 500+ paved parking spaces and parking on the west-side of Kay Rensch Drive. Sorry, no RV parking at OCP and no parking on Brookville Rd. or Fairfield Rd.
- **Leonard Howell Park (LHP)**, at [5100 Bonham Rd., 45056](#). We'll have 3 fields here.
- **Cook Field**, on the campus of Miami University at [501 E High St., 45056](#), will have three 11v11 turf fields. Parking is available in the parking lots and garage nearby, but unfortunately is not free.
- **Riverside Park**, located at [3969 Roundbottom Rd. 45244](#) in Cincinnati, used for a few Friday-night games.

Oxford Community Park Rules

No portable grills or pop-up tents are permitted (including on team sidelines). To free up parking for other teams, please don't schedule a picnic at OCP between games (there are other great options [here](#)).

Tourney Headquarters

Located in the building by the pool at Oxford Community Park, come here for official tourney apparel, tourney patches, lost & found, pictures with the #LargestTrophyKnownToMankind, and random questions. Possibly-right answers guaranteed!

Bathrooms

Well, there's the wooded area behind OCP field #10... but we recommend the real bathrooms at OCP in the center of fields 1-3, and by the pool near field #11. You'll also find strategically placed porta-potties within a short run of each field. Whew!

On-site Concessions

Coffee, Kona Ice, Kettle Corn, food trucks and the OCP concession stand in the center of fields 1-3 with burgers, dogs, and all the usual accoutrements are ready to satisfy your every craving and thirst.

Field Monitors and Trainers

We have a Field Monitor situated near each group of fields to check teams in and record scores. On-site trainers are available if there is a medical issue requiring assistance. In an emergency, please call 911.

Weather and Important Updates

We'll communicate through GotSoccer's text messaging and email, as well as [@epiccupsoccer](#) on Twitter.

Things To Do In Oxford

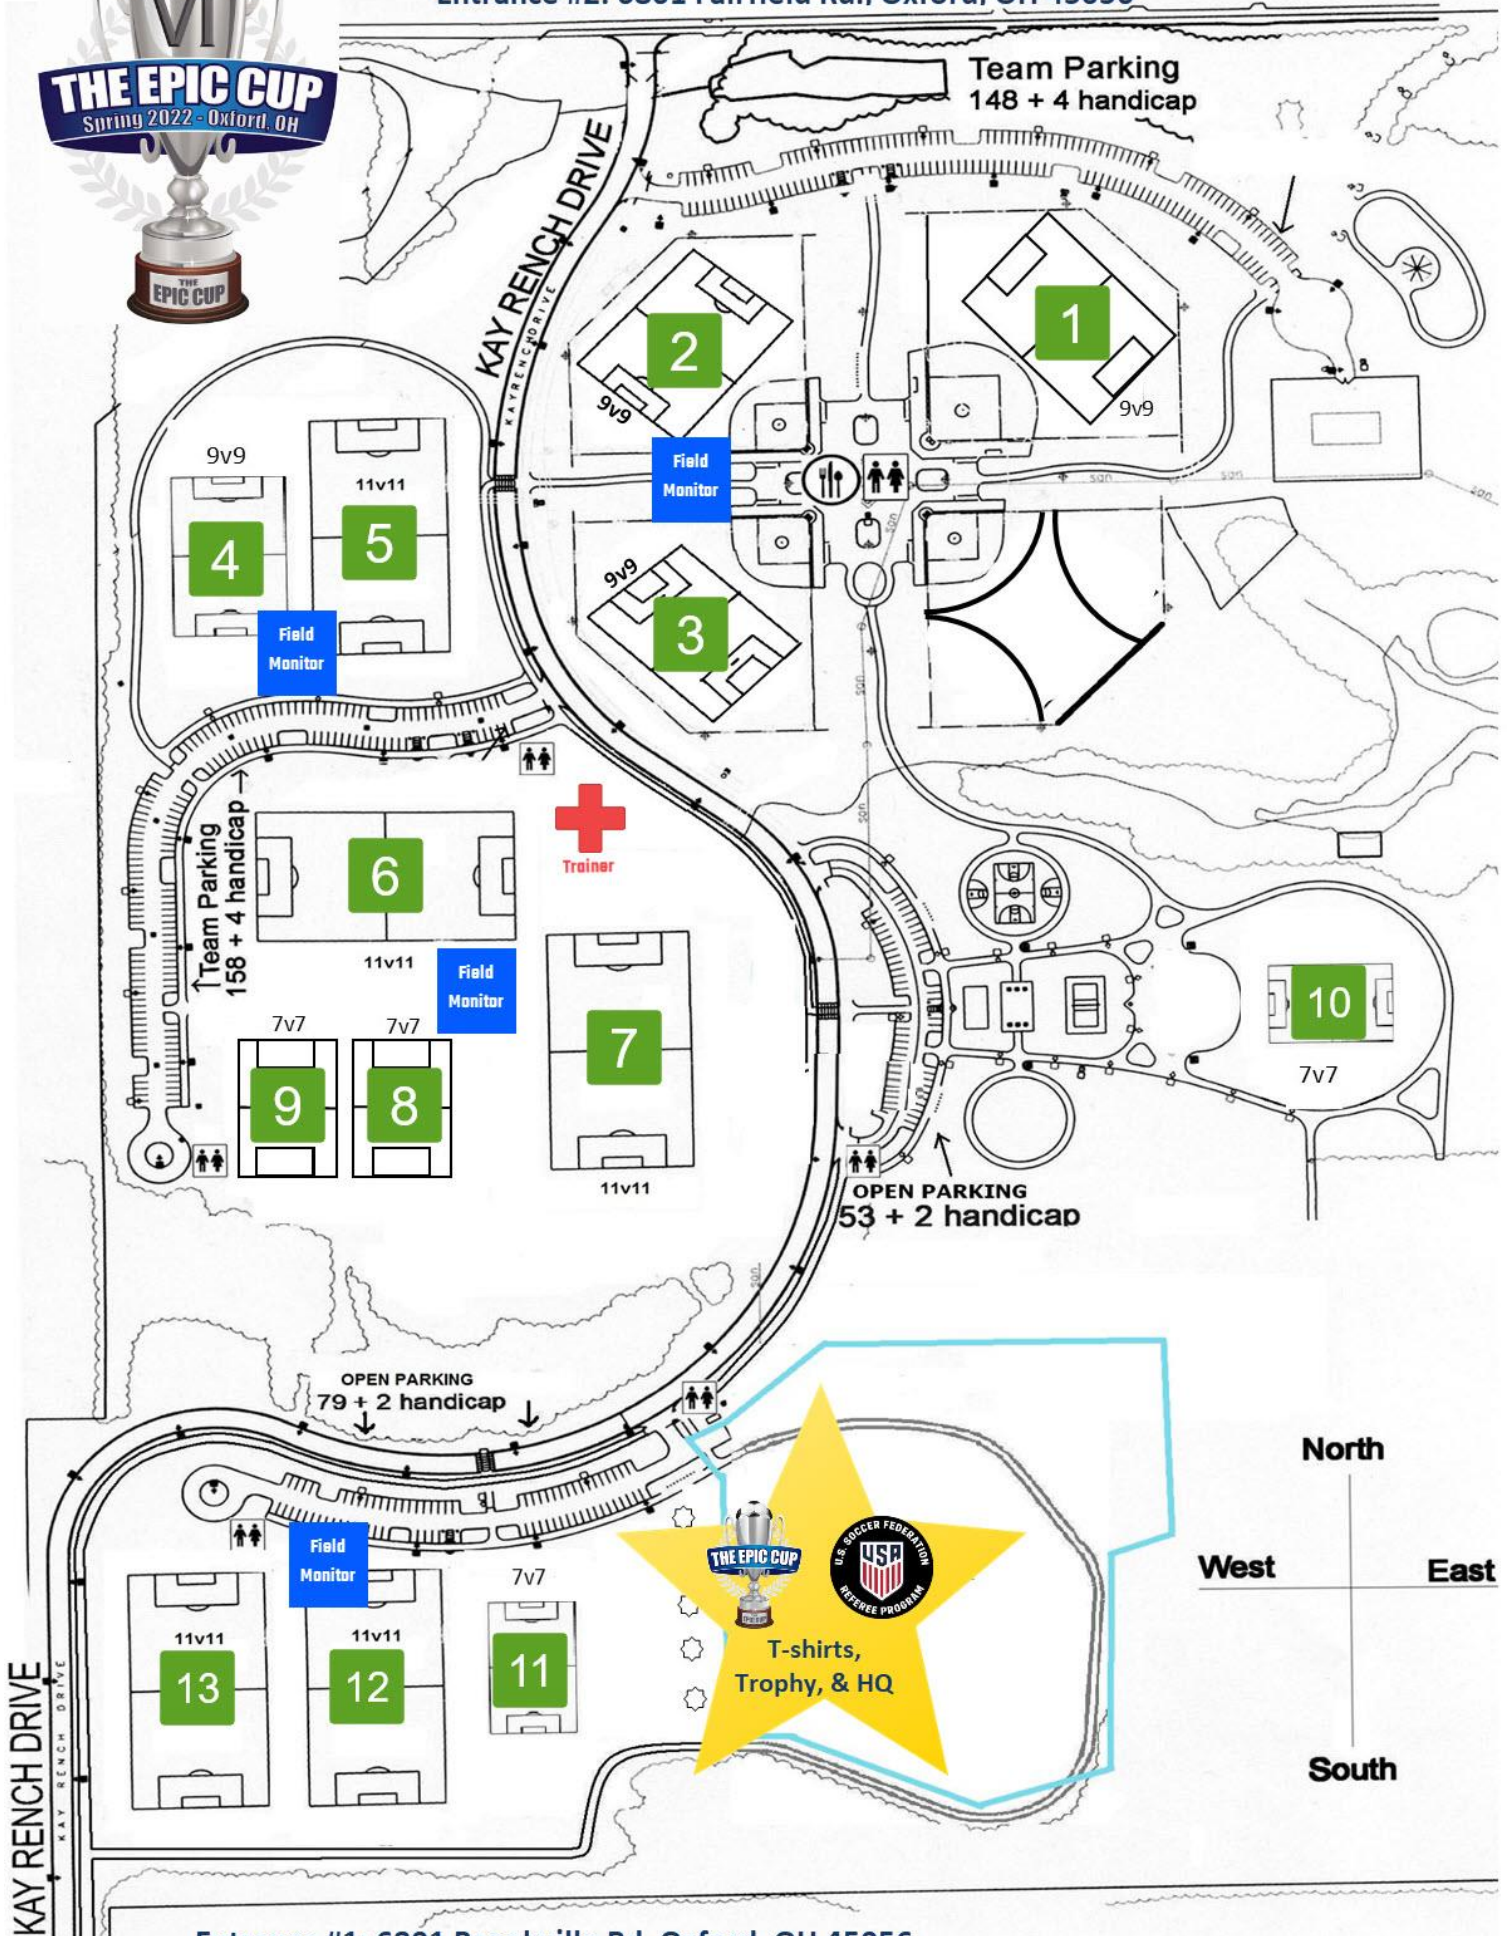

Check out all these ways to [Enjoy Oxford](#) when your team is not on the field.

Awards

Champions and Runners-Up will have the privilege of taking a team photo with the #LargestTrophyKnownToMankind and players will take home an individual medal. To avoid crowding at Tournament HQ, only players, coaches and a designated photographer should come for the photo and to pick up awards. Post pics to [EpicCup!](#)
